

Ornament Pattern by Cherie Helm

Requires 72 Pair bobbins - or can reuse some after each section.
 Cherie used gold wrapped sewing thread.
 Narrow ribbon can be threaded through holes between spiders.
 Leave thread ends at points for tassels.
 Fits ornaments 3" in diameter.

36 pairs set up in center area.

36 pairs added in for 3 alternate legs.

Tip: to avoid sewings,
 add all but 6 as you work the three main legs.

Hang the rest on temporary pins
 where they are needed.
